tendency to place inedible objects into their mouths

For assistance, please contact: [sales@inracing.in](mailto:sales@inracing.in)  
[www.inracing.in](http://www.inracing.in)

## INSTALLATION GUIDE

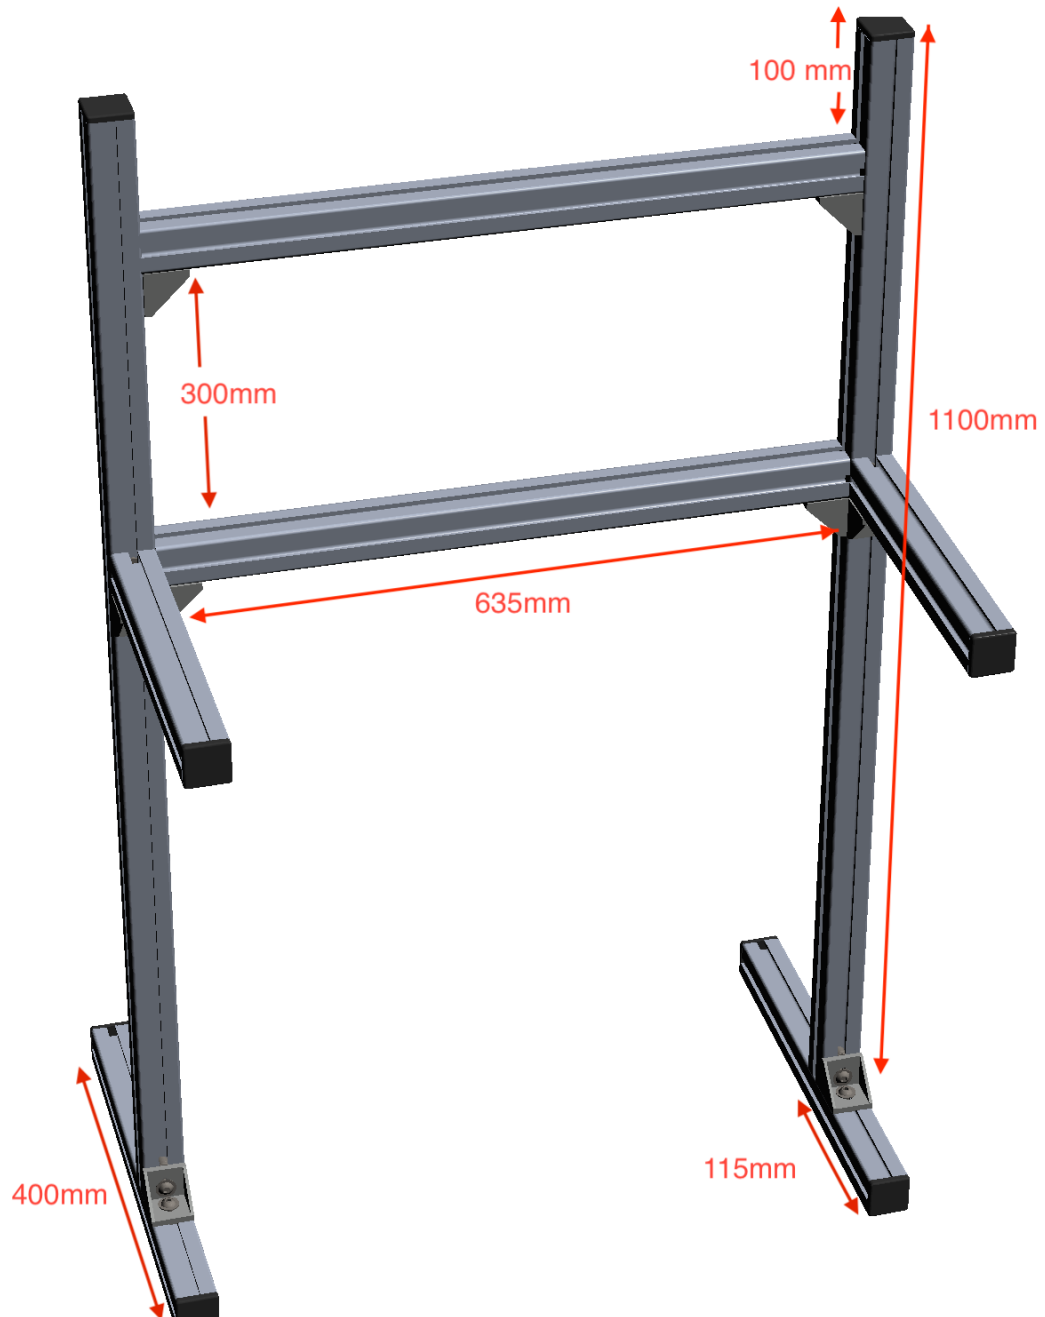

Step 1: Identify the part numbers mentioned on each part

For assistance, please contact: [sales@inracing.in](mailto:sales@inracing.in)  
[www.inracing.in](http://www.inracing.in)

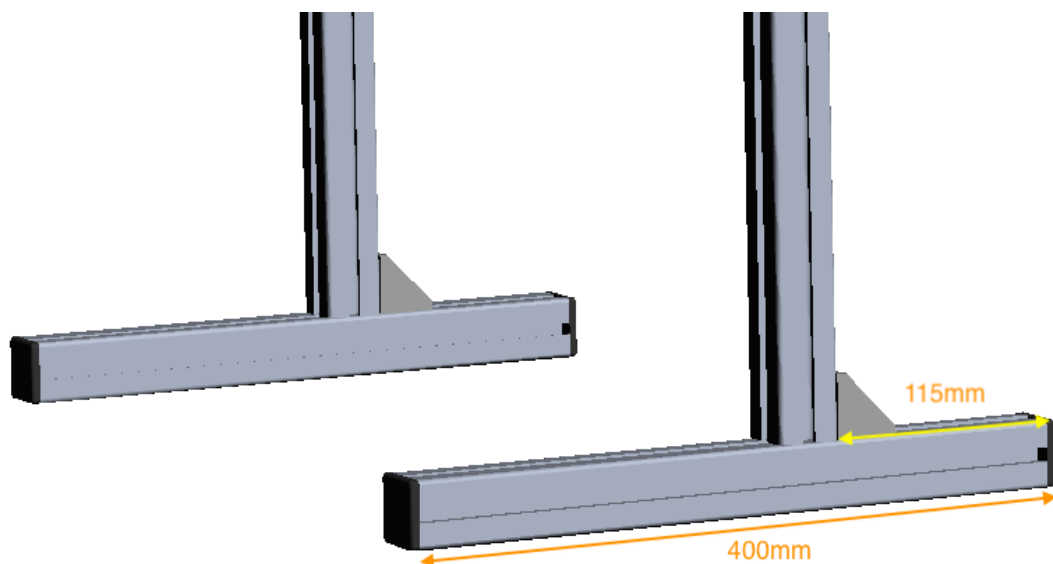

Note: These are approximate measurements. These may vary based on the weight of your TV/Monitor.

Assemble as per your requirement

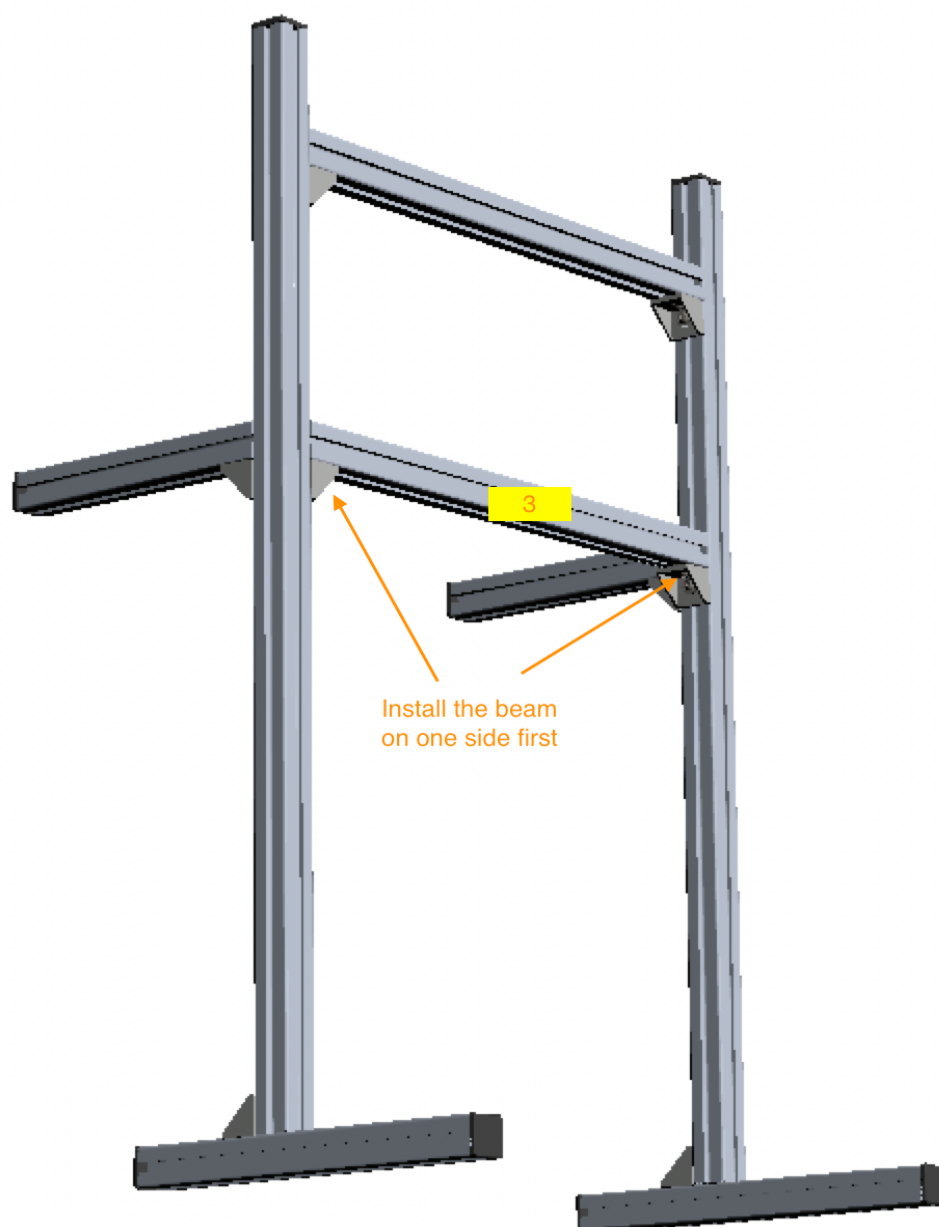

For assistance, please contact: [sales@inracing.in](mailto:sales@inracing.in)  
[www.inracing.in](http://www.inracing.in)

Step 2: Install part number 2 onto Part number 1 at these approximate distance

### Step 3: Install Part number 3

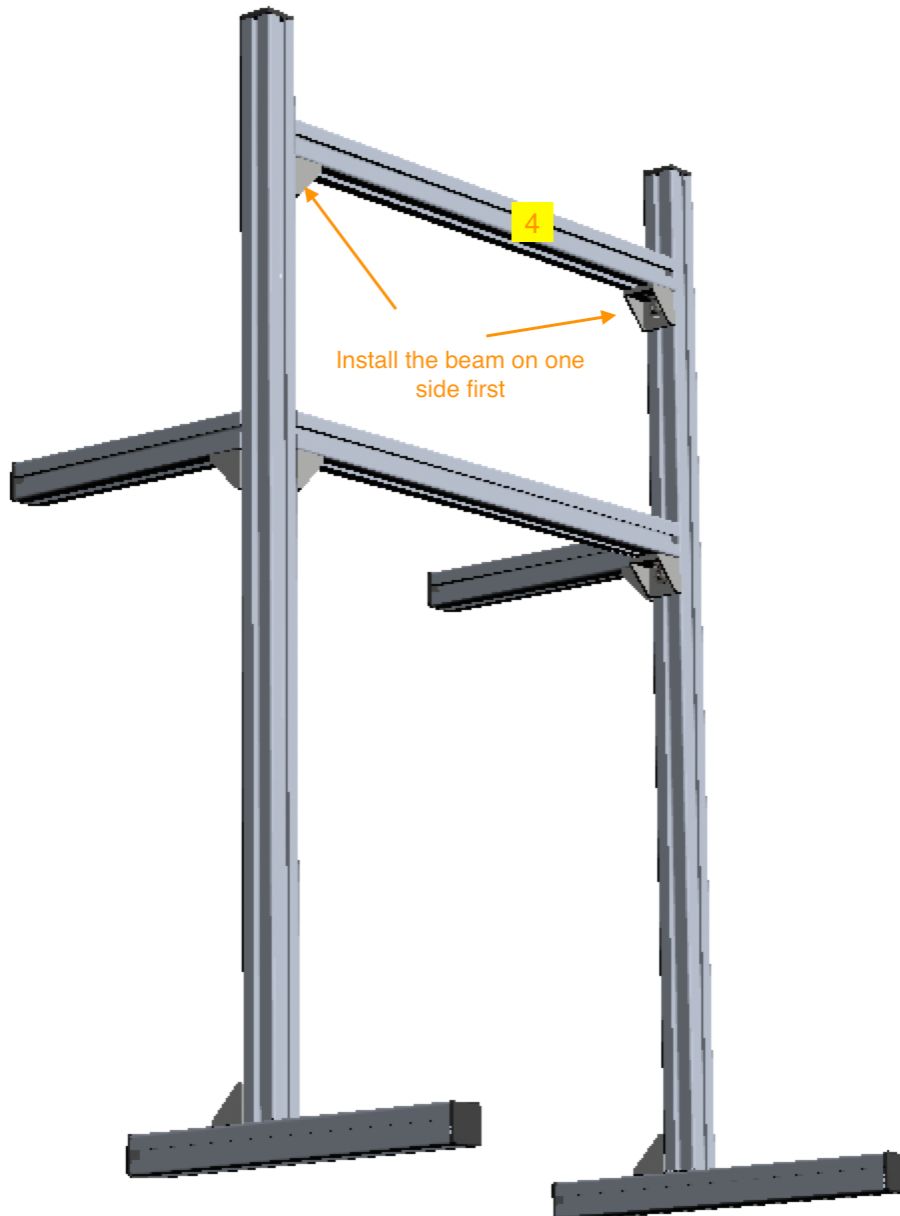

Install the 635mm beam on one of the vertical beams first

For assistance, please contact: [sales@inracing.in](mailto:sales@inracing.in)  
[www.inracing.in](http://www.inracing.in)

#### Step 4: Install Part number 4

Install the 635mm beam on one of the vertical beams first.

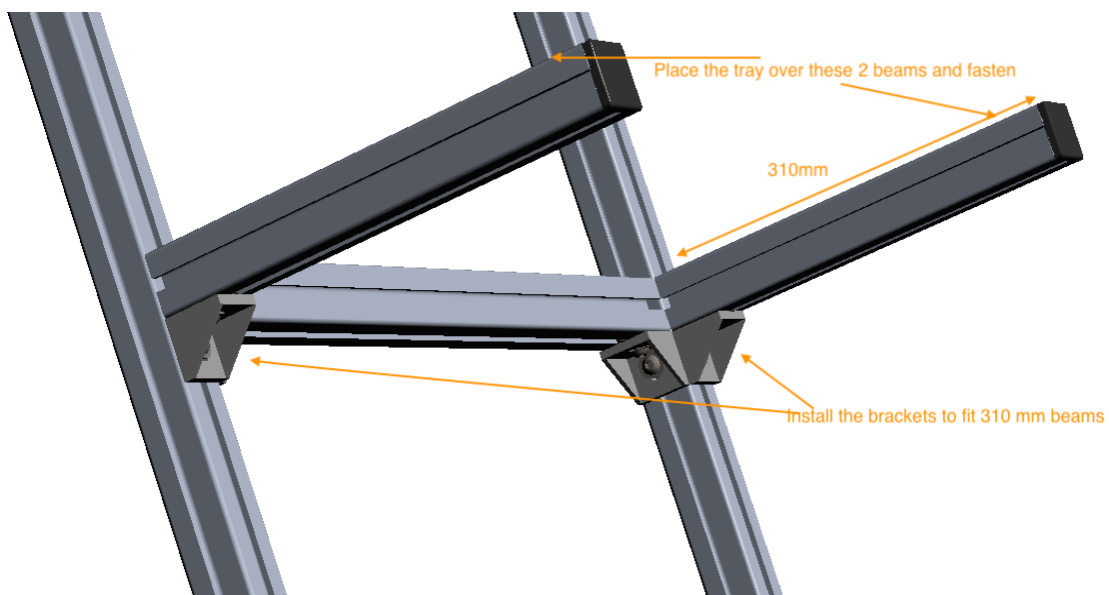

For assistance, please contact: [sales@inracing.in](mailto:sales@inracing.in)  
[www.inracing.in](http://www.inracing.in)

Step 5: Fix part number 3 and part number 4 onto the other vertical beam

Step 6: Fix part numbers 5 & fix the tray

Fix the 2 number 310mm beams as shown below. These must face backwards.

Fasten the tray with the bolts provided

You are ready to race now!

Welcome to the INRacing fraternity

Happy Racing!!!
